During the Reporting Period, Jiangsu Wufengshan Toll Bridge Company Limited (“**Wufengshan Company**”) which is held as to 64.5% of the equity interests by the Company, and Jiangsu Changyi Expressway Company Limited (“**Changyi Company**”), which is held as to 60% of the equity interests by Guangjing Xicheng Company, a subsidiary of the Company, were established and their respective first instalment of capital contributions were in place. As at the end of the Reporting Period, the Group newly added two subsidiaries and that resulted in changes in the scope of consolidated statements. For details of the two subsidiaries and their projects, please refer to the announcements of the Company dated 3 March 2016, 6 September 2016 and 27 March 2017, respectively.

During the Reporting Period, the Group realized the total operating revenue of approximately RMB2,295,677,000 from various businesses, representing an increase of approximately 12.16% compared to the corresponding period of 2016.

In particular, toll revenue from principal toll road business amounted to approximately RMB1,676,311,000, representing an increase of approximately 3.36% compared to the corresponding period of the previous year. During the Reporting Period, the daily average traffic volume of Shanghai-Nanjing Expressway was 94,218 vehicles, representing an increase of approximately 6.8% year-on-year, of which the average daily traffic volume of passenger vehicles was 75,988 vehicles, representing an increase of approximately 6.19% year-on-year, while the average daily traffic volume of trucks was 18,231 vehicles, representing an increase of approximately 9.45% year-on-year, which maintained its growth momentum since the fourth quarter last year. The proportion of passenger vehicle traffic volume and truck traffic volume was approximately 80.65% and approximately 19.35% respectively in Shanghai-Nanjing Expressway, of which the proportion of truck traffic volume increased by approximately 0.47 percentage point as compared to the corresponding period of the previous year. The average daily toll revenue from the Shanghai-Nanjing Expressway in the Reporting Period was approximately RMB12,837,760, representing a year-on-year increase of approximately 2.79%. As affected by the changes in the taxation policy of replacing business tax with value added tax (VAT), the growth of toll revenue was less than that in traffic volume.

### 3. SIGNIFICANT EVENTS

During the Reporting Period, Nanjing-Lianyungang Highway experienced significant changes in traffic volume and revenue due to traffic restrictions on both trucks and passenger vehicles on the adjacent road for overhaul reasons; revenue from Sujiahang Expressway decreased due to the traffic ban on trucks in the city proper of Suzhou since December 2016. Other road and bridge projects operated by the Group continued to maintain a stable growth in traffic volume with the truck traffic volumes all having a growth of different extents. As a result, the realization of overall toll revenue in the Reporting Period was better than the expected one at the beginning of the year.

*Note:* In accordance with the provisions of the Notice on Full Implementation the Pilot Program of Replacing Business Tax with Value-Added Tax (VAT) (Cai Shui [2016] No. 36) issued by the Ministry of Finance and State Administration of Taxation, the pilot program of replacing business tax with VAT shall be fully implemented across the country from 1 May 2016. Since the commencement dates of the construction of the existing expressways in operation of the Company were all before 30 April 2016, the simplified tax calculation method is applicable and VAT shall be calculated and paid at the tax rate of 3%. The average daily revenue for the above road and bridge projects commenced in May 2016 and the corresponding VAT has been deducted.

During the Reporting Period, as affected by the increase in retail price of oil products compared to the corresponding period of last year, the Company realized a revenue of approximately RMB424,116,000 for the ancillary business, representing an increase of approximately 4.19% as compared to the corresponding period of last year. During the Reporting Period, the development and sales of the projects of the property business were launched orderly. Revenue realized from pre-sale amounted to approximately RMB164,174,000. Projects delivered during the Reporting Period mainly included Tongcheng Shijia Garden B Phase I and Phase II, Tongcheng Guangmingxinzuo and Suzhou Qingyuan. As the scale being delivered and carried forward in the Reporting Period was larger compared to the corresponding period of last year, operating revenue of property business of approximately RMB178,973,000 was recognized, representing a significant increase as compared to the corresponding period of last year. Revenue realized from advertising and other businesses amounted to approximately RMB16,277,000 in total, representing an increase of approximately 56.75% year-on-year, which was mainly due to the increase in revenue from advertising operation as a result of a larger increase in distribution of billboards of the subsidiaries of the Company since the second half of last year. In addition, revenue from leased commercial properties and property management of Ninghu Properties, a subsidiary of the Company, was higher than that of the corresponding period of last year.

During the Reporting Period, according to the PRC Accounting Standards, the accumulated operating cost of the Group amounted to approximately RMB1,044,913,000, representing an increase of approximately 18.32% compared to the corresponding period of last year. Operating profits of approximately RMB1,177,510,000 was realized. Net profits attributable to the shareholders of the listed Company amounted to approximately RMB878,673,000. Earnings per share amounted to approximately RMB0.1744, representing an increase of 13.57% as compared to the corresponding period of last year.
